

UAS - DRONE - UAV - Remote Control Aircraft

They seem to be everywhere - Unmanned Aircraft. Mike Minnix, LIT FSDO UAS POC will discuss the most common questions regarding unmanned aircraft including why some call them drones and others call them UAS. The discussion will also include where to fly and how to receive authorization if you want to fly one for compensation.

Directions: Meeting will be held in the Terminal Conference Room.

Airport located at 33° 15' 15.301"N 92° 48' 47.708"W

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
